

Kids Behaviour & Mental Health ECHO network

Thursdays from 8-9am Queensland time

18th July – 19th September, 10th October – 12th December

Do you want to gain access to free professional advice for children and young people with behavioural and mental health issues – without the wait?

Join this network for weekly support and guidance from your co-participants and an expert panel including: Child and Adolescent Psychiatrist, Developmental Paediatrician, & Senior Allied Health Professionals.

All participants are able to claim CPD points. GP participants can claim Medicare rebates for case presentations – conditions apply.

Sessions 1-10:
