

Family violence referral pathways forum for health workers

(Geelong & surrounds)

Dr Sally Cockburn (aka Dr Feelgood) will host a **panel** with representatives from local & regional support services. The panel will explore a family violence case study from initial presentation at a health service through to accessing family violence support. There will be representatives from an array of services such as The Orange Door, Vic Police, BCYF, Bethany and many more.

Please note: completion of *Module One: Family Violence: A Shared Understanding* is recommended prior to attending the forum. Barwon Health staff please log in to Grow and complete *Module One: Family Violence – A Shared Understanding*.
