

THE LIFE OF A MISSIONARY DOCTOR IN AFRICA

Experience this rare opportunity to hear the raw and emotional story of a doctor's selfless work as an Obstetric Fistula Surgeon in Tanzania Africa.

For 17 years Dr Andrew Browning has dedicated himself to working to improve the health and welfare of women in Africa. Now he is bringing his story to Ballarat, where he will highlight the ways you can be part of furthering this incredible work.

You could change the lives of many women in Tanzania, you may even discover an opportunity to change your own.
