

Suicide prevention,  
intervention

**GPs and Practice Nurses**

**Free of Charge**

## Wesley LifeForce Suicide Prevention Training Workshops

**This Active Learning Module has been approved by the RACGP QI&CPD Program. Total points: 40 Category 1 points**

**Completion of this educational activity entitles participants to claim 6 CPD hours through Australian Practice Nurses Association**

With a 20 year history of suicide prevention support to the Australian community, Wesley LifeForce offers training that is developed from evidence-based expertise in the Australian Community and with input from Australian General Practitioners (GPs) and General Practice Nurses.

### **Refresh your skills**

Our specialised programs are designed to equip you with leading methodology and strategies in suicide prevention and intervention. To keep abreast of new developments, our programs are regularly reviewed by our national Advisory Board, consisting of leading Australian researchers and practitioners in the field.

This activity has been endorsed by APNA according to approved quality standards criteria.

### **Skills training for GPs and Practice Nurses**

- comprehensive, 6 hour Active Learning Module
- gain a greater understanding risk assessment, suicide prevention intervention strategies and patient support and management
- demonstrates a strategy to provide assistance to a patient who may be considering suicide, understanding the time constraints of general practice consultations.
