

# DIAGNOSIS AND MANAGEMENT OF SYPHILIS, GONORRHOEA AND CHLAMYDIA IN PRIMARY CARE.

## VHHITAL

VICTORIAN HIV AND HEPATITIS  
INTEGRATED TRAINING AND LEARNING

VHHITAL, Melbourne Sexual Health Centre and Western Victoria PHN invite GPs and primary healthcare professionals to attend an evening update on Gonorrhoea, Syphilis and Chlamydia in general practice.

Facilitated by Dr Nick Medland, Consultant Sexual Health Physician at Melbourne Sexual Health Centre, this evening update over dinner aims to update and inform healthcare professionals who may see syphilis, gonorrhoea and chlamydia in primary practice.

### Learning outcomes:

- Discuss recent trends in syphilis, gonorrhoea and chlamydia rates in Victoria
- Describe the clinical presentation of gonorrhoea, syphilis and chlamydia
- Identify at-risk patients to screen and test for syphilis, gonorrhoea and chlamydia
- Manage patient treatment and follow-up for syphilis, gonorrhoea and chlamydia

Tuesday, 7 August 2018

6.30 pm - 9.00 pm

RSVP by: 31 July 2018

Bookings are essential.

A light dinner will be provided.

### Venue

Western Victoria PHN - Bayside City Plaza.  
24/36 Fairy Street, Warrnambool VIC
