

# Werribee Mercy Hospital 2017 GP Education Event

## *What's new in Urogynaecology: Update on the management of urinary incontinence and female organ prolapse*

Werribee Mercy Hospital would like to invite General Practitioners to this free evening education event.

General Practitioners play a pivotal role in the first line therapy for a number of urogynaecology conditions and this event will provide an update on conservative, medical and surgical treatments and appropriate pathways for referral.

### **Key speakers:**

- Dr Kristina Cvach Urogynaecologist
- Dr Lore Schierlitz Urogynaecologist
