

Dear General Practitioner,

Western Victoria Primary Health Network (WVPHN) is excited to introduce our new website ([westvicphn.com.au](http://westvicphn.com.au)) that was launched in October 2019, and the implementation of new internal systems that will enable us to implement a new Client Relationship Management (CRM) and PHN Exchange products.

In preparation for the new systems we have reflected on our current practices and sought to improve how we gain your consent, and how we collect, store, use and disclose your information. WVPHN manages information in accordance with the Privacy Act 1988 (Cth) and the Australian Privacy Principles. Information is collected to facilitate the planning of activities and provision of education and practice support, and allows WVPHN to contact individuals and others. WVPHN only collects, holds and uses information that is reasonably necessary for the performance of its functions and activities.

We are seeking consent from GPs across western Victoria for a range of opportunities, with other practitioners and specialists across other areas of western Victoria to follow. Thank you to those GPs who have already responded to this request.

**Please note, signed consent is required from each individual practitioner.**

By signing the below, I am indicating my consent for WVPHN to (*tick applicable choices*):
